TO: Board of Supervisors

FROM: Planning and Building / Jim Bergman, Planning and Building Director / (805) 781-5708

DATE: 5/5/2015

SUBJECT: Presentation from California Polytechnic State University, San Luis Obispo (Cal Poly) staff regarding efforts to update the Master Plan. All Districts.

RECOMMENDATION

It is recommended that the Board of Supervisors receive and file a presentation from Cal Poly staff regarding efforts to update the Master Plan.

DISCUSSION

Cal Poly is currently in the process of updating its Master Plan. The Master Plan will determine the physical campus needs for the next 20 years and will guide the general location, size and types of land uses, facilities, and circulation systems necessary to support Cal Poly's mission and enrollment now and in the future.

The Master Plan objectives and initiatives will be drafted as part of the two-year Master Plan update planning process and is guided by *Vision 2022* and the *Academic Plan for Enrollment*.

The Master Plan update is necessary, as the university has completed most of the projects detailed in its 2001 Master Plan and is also required by the California State University (CSU) system to guide future capital projects. Detailed information on the Master Plan and process can be found at <http://masterplan.calpoly.edu/>.
